NON-TARIFF BARRIER NOTIFICATIONS

Corrigendum

At the request of the delegation of Cuba, please include the following text in document TN/MA/W/46/Add.9, page 6, column 3, after the title "Economic, commercial and financial blockade":

"One of the barriers making up the web of laws and provisions which hamper Cuba's normal trade with other WTO Members on an on-going basis is directly related to Article V of the General Agreement on Tariffs and Trade 1994 on Freedom of Transit. This barrier prevents vessels of any nationality which dock in Cuban ports from entering the ports of the country imposing this measure for the next six months".
