Corrigendum

The following communication, dated 15 August 2005, is being circulated at the request of the Delegation of the Sultanate of Oman.

On page 10, at the end of paragraph 60, the following sentence should be added:

"Her delegation fully supported the list of environmental goods proposed by Qatar".

On page 15, after paragraph 88, insert a new paragraph, which reads:

"The representative of Oman asked for clarification of the concept of 'high environmental performance' in TN/TE/W/47, paragraph 13, of the EC paper. Oman agreed with the EC that environmental goods should have low environmental impact. Also, definition of environmental goods should include categories of interest to all Members, especially developing country Members."
